ABOUT US

Bolana is a quality cleaning and maintenance contractor providing its clients with quality service while meeting both the clients' cleaning needs and budgetary requirements. Bolana has established itself as a competitive contractor in the Washington Metropolitan area. The company is built on the core values of reliability and honesty, understanding that in order to achieve the goal of complete client satisfaction we must listen to our clients. Bolana is a 100% minority (African-American Female) business and has the following certifications:

- Maryland Department of Transportation (certified Minority Business Enterprises)
- National Minority Supplier Development Council (certified Minority Business Enterprises)
- Women Business Enterprise National Council (certified Woman-Owned Business)
- Metropolitan Washington Airports Authority (certified Local Disadvantaged Business Enterprise)
- Commonwealth of Virginia (certified Small, Women, and Minority Business – SwaM)
- Prince Georges County (certified Minority Business Enterprise)

OUR WORLD-CLASS SERVICES

- Floor Stripping, Waxing, Buffing & Re-Sealing
- Elevators, Stairwells and Lobby Cleaning
- Pressure Washing
- Window Cleaning
- Carpet Shampooing
- Meeting Security Measurements & Requirements
- Construction Final Cleaning
- Facilities House Ware Supplies
- Used Cooking Oil Collection

HEALTHY CLEANING

Bolana is Green Seal Certified and our Healthy Cleaning for Healthy Buildings program employs environmentally sound cleaning products, state of the art equipment, microfiber mops and wipes and the latest and best cleaning practices. Healthy Cleaning for Healthy Buildings is a unique, all-inclusive approach designed to ensure a clean and safe work environment, increase employee productivity and satisfaction, and enhance the value and integrity of buildings. The end goal is to reflect the organizational mission and values of our customers. We will incorporate as much of this program as possible into our contracts. We would meet with your representatives to determine how we could work together to implement healthier green cleaning.

EFFECTIVE QUALITY CONTROL

Unleashing the Power of Productivity!

CleanTelligent provides a cycle of improvement into Bolana's processes. Every feature of the software links together to help us monitor and improve the services would provide to The SEED Public Charter School.

- **Inspect!** Know exactly what is happening and where.
- **Communicate!** Relay information to the right people so problems can be immediately resolved.
- **Adjust!** Track trends and completion of deficiencies to improve over time.
